EDUCATION AND TRAINING

Advance Diploma in Software Engineering and Technology
Centennial College, Progress Campus, Toronto, Ontario
Overall GPA 4.25/4.5 - maintaining Honors status throughout academics

Sep 2017 - Present

Bachelor of Engineering in Technology
Bangladesh University of Textiles (BUTex)

December 2012

Related Courses

- Programming I,II (C#)
- Software Engineering Methodology
- Web Application Development
- Oracle Database Concept
- Java Programming
- Linux/Unix

ACADEMIC PROJECTS

- Developed Phone, Application Form, Car Dealer website using CSS, HTML, and DWT
- Developed a Commercial Restaurant website using CSS, HTML, XML, JSON, JQUERY and Java Script
- Planned and designed a forum website for a College named “eCentennial Forum”
- Developed a Database using SQL Developer and Visio for online Hotel Management Application
- Created a student database system in SQL Server Management Studio using Java Programming

EXPERIENCE

Lecturer

Jun 2012 - Jul 2015

Bangladesh University of Business & Technology (BUBT)
